September 9, 1976

Mr. Ron Daniels  
Mined Land Coordinator  
Department of Natural Resources  
Board of Oil, Gas and Mining  
1588 WestNorth Temple  
Salt Lake City, Utah 84116

Dear Mr. Daniels:

This is to confirm our telephone conversation of September 8 arranging a meeting in your office on September 27 at 1:30 P.M. to review U. S. Steel's Utah Ore Operations and Keigley Quarry mining applications.

Yours very truly, .

John D. Quinn  
Chief Engineer  
Western Ore Operations
